In support of this Petition, Applicants have attached a copy of a docket report showing all items having a response due on May 13, 2001; a Statement of Facts by the undersigned attesting to a search and review of Applicants' file jacket and docket record indicating that an Office

action was not received, and a Statement of Facts by a Theresa M. Good also attesting to the fact that the docket record was reviewed and indicates that no Office action was ever received after Applicants' response of November 28, 2000.

Therefore, Applicants respectfully request withdrawal of the holding of abandonment, and remailing of the Office action.

Sir:

1. I, Ralph E. Smith, am a registered practitioner having a registration number of 35,474.

2. In response to the Decision on Petition to Withdraw the Holding of Abandonment mailed on June 1, 2004, I carefully searched Applicants' file jacket and docket records to determine whether an Office action mailed on February 13, 2001, had ever been received in connection with the present application.

3. Based on my search, I verified that our office is the address of record for the present application. The last document entered in Applicants' file (other than the Notice of Abandonment) is a "Response to Office Action" mailed on November 28, 2000, which was responsive to a first office action mailed August 29, 2000. I could find no evidence indicating that any Office Action mailed after the Response to Office Action was ever received by our office.

4. Likewise, I could find no evidence that our docketing system ever indicated that a response was due for the present application based on an Office action mailed on February 13, 2001.

5. I further verify that the attached docket report listing all items having a due date of May 13, 2001, is an accurate report of my search of our docket records.
